

The Innovation Conference "Money in Arbitration"

Regardless of the type of arbitration, money is always involved. The Innovation Conference 2022 deals with various aspects of money in arbitration. What are the key trends and innovations relating to money in arbitration? How should the remuneration to arbitrators be determined? And how should arbitration institutions be financed? The moderators and speakers are renowned arbitration practitioners from Switzerland and abroad. A warm welcome to the Innovation Conference 2022!

3 February 2022
Geneva
